C.P.S — Sullia Block — Publicity purchase of charts, posters etc — excess payment — ratification.

Ref. From the Collector of S. Kanara Rc. No. 20559/55 dated 27.7.55

Please see the ref. 1st cited Govt. No. 408 Pub. dated 14.3.55 N.E.S Sanction was accorded for an expenditure of Rs ~~250~~ 50/- for each Block towards the purchase of charts, posters etc, published by M/S Sarvodaya Prakashan, Delhi for propaganda and publicity purposes in N.E.S area and the Collectors were asked to arrange for supply of posters etc in Consultation with the B.D.Os Concerned. The Publishers are publishing the charts and posters only in Hindi. But they are prepared to supply them in any of the regional Language provided orders are placed with them atleast for a minimum no. of 500 Copies in that language. The publishers are publishing seven kinds of charts. The price of each ~~set~~ variety ranges from Rs 50/- to 75/- per hundred Charts. In the present case the Charts in Kannada Language may also be

[illegible] of ... was for the people in Sullia Block, S.K. Canara Dist. But the B.D.O cannot have purchased the Kannada charts within monetary limit prescribed in the G.O i.e Rs 50/- because the price of 500 charts in Kannada in any variety will far exceed this limit (The price of 500 charts of the cheapest variety will alone will come up to ~~Rs 250~~ Rs 250/-). From this, it is to be inferred that the B.D.O might have purchased charts only in Hindi. This may be ascertained from the Collector.

The order in the above said G.O. is applicable only to the B.D.O of those N.E.S areas. B.D.O (EPS) Cannot incur any expenditure under this G.O. Sullia Block which was an N.E.S Block at the time of issue of the orders in the G.O has since been converted into E.D. Blocks. It is not known whether the B.D.O incurred the expenditure of Rs 54-40 towards the purchase of charts before 31.3.55. or after This may be ascertained from the Collector.

The B.D.O has stated that the official bill for supply of charts has come up to Rs 54-40 including all charges - Rs. 4-40 in excess of the amount sanctioned. But he has not

depicted the actual amount paid towards the Cost of Charts only. Of the excess amount of Rs 4-1 represents the expenditure involved in dispatching the incidental charges. Govt. ratification for this excess extra expenditure will not be necessary as this extra expenditure can be met from Contingency necessary. This may be communicated from the Collector. A draft Memo is put up for approval
